

Strong Minds – Early Years Supports the National Quality Standards

✓ Education Program & Practice – Quality Area 1

- Educational program and practice of educators are **child-centred**, stimulating and maximise opportunities for **enhancing and extending** each child's learning and development.

✓ Children's Health & Safety – Quality Area 2

- Children have the right to experience quality education and care in an environment that safeguards and promotes their health, safety and **wellbeing**.

✓ Staffing Arrangements – Quality Area 4

- Educators, who develop **warm, respectful relationships** with children and encourage children's **active engagement** in the learning program.

✓ Relationships with Children – Quality Area 5

- Relationships with children are **responsive, respectful** and promote children's sense of security and **belonging**.

✓ Collaborative Partnerships with Families – Quality Area 6

- **Collaborative relationships with families** are fundamental to achieving quality outcomes for children.
